

KALINGA INSTITUTE OF INDUSTRIAL TECHNOLOGY (KIIT)

Deemed to be University U/S 3 of UGC Act, 1956

**Kalinga Institute of Industrial Technology (KIIT) Deemed to be University,
Bhubaneswar, Odisha, India**

KIIT UNIVERSITY INDIA SCHOLARSHIP (KUISP) 2025 For International Students

KIIT is one of the top private university ranked in the cohort of 601-800 in the Times Higher Education 'World University Ranking 2024'. Its Computer Science Engineering ranks in the cohort of 301-400 and its overall Engineering ranking is 401-500 in the world. KIIT university also ranked 15th in National Institutional Ranking Framework (NIRF) by Govt. of India among Indian universities. KIIT offers professional education to around 40,000 students from across India in 100+ academic programs in undergraduate, postgraduate and doctorate programs. The student strength also comprises 1800 international students from 65 countries. KIIT being a 25 years old university is open for partnering with top universities across the globe.

As an organisation, we are guided by the compassion and foresight of our Founder, Dr. Achyuta Samanta – a visionary philanthropist and educationist, who established KISS along with our sister concern, the Kalinga Institute of Industrial Technology (KIIT) in the early 1990s. Dr. Achyuta Samanta, the founder of KIIT and KISS, realized the difficulty faced by tribal communities and attempted to empower them by founding KISS, in 1992-93. The institute, which started with only 125 tribal students in a rented house, has spiralled into the world's largest and only institute providing free education from Kindergarten to Post-Graduation and Doctoral Programmes with vocational and extracurricular training, free lodging and boarding, state-of-the-art facilities and indigenously controlled pedagogies exclusively to more than 80,000 indigenous students. The foundations of KISS are based on Dr. Samanta's dream of providing free and accessible holistic education to indigenous students across the country.

KIIT Deemed University announces **KIIT University India Scholarship Program (KUISP)** applicable to Foreign National Applicants to pursue professional education in India and KIIT-DU.

KUISP is also applicable to foreign national applicants applying for training (short-term) programs and regular courses in undergraduate, post graduate and doctorate programs for the academic year 2025-26.

Call for KUISP Special Applications for Academic year 2025-26

Under Graduate programs- Applicable to all students who have passed in grade 10th and grade 12th equivalent.

Post Graduate Programs- Applicable to all aspirants who have passed secondary/higher secondary and Bachelor's degree in any discipline.

Doctorate Programs- (Full Time/Part Time) Applicable to all aspirants who have passed postgraduation in any discipline.

Part-Time: Applicants who are working as a full time employer in any private organization, corporates, government departments, schools and universities in their respective country.

No. of applications - 20

Application Start Date : 1st March 2025

Application Deadline : 30th August 2025

Application Fee : Free

Application Portal : Student applications can be sent through mail to

internationaloffice@kiit.ac.in , or apply directly at KIIT International Admission Portal **<https://international.kiit.ac.in>**

o KUISP Special Coverage Details -

1. 50% to 100% scholarship on Tuition fees for the whole course duration
2. Free books
3. Examination & Registration Fees for the whole course duration
4. Sports facilities
5. 24*7 Internet access
6. Airport Pickup on arrivals
7. Free access to Student Society

o The KUISP does not cover the following –

1. Airfare Tickets
2. Visa Fees
3. Medical Insurance
4. Stipends
5. Personal Living Expenses
6. Laptop

Scholarship Fees

- The fees after scholarships are mentioned in attached Annexures
 - Annexure-1 Courses available under KUISP Scholarship (100% Tuition Fees Scholarship)
 - Annexure – 2 Ph. D Courses

Eligibility Criteria

- Applicants with good academic standing in their home institutions are encouraged to apply.
- Applicants should have a valid passport.
- Applicants applying should fulfill the course eligibility criteria as per university norms.
- Basic English Language Proficiency (Beginner level)

Documents required for Admissions

For Undergraduate application:

- Copies of Secondary/Higher Secondary education transcripts & Certificates.
- Valid Passport
- Copy of School leaving Certificate
- Proof of English proficiency (if any)
- Copies of certificates of academic honors or awards received (if available)

For Post graduate application:

- Copies of Secondary/Higher Secondary education transcripts & Certificates
- Copy of Bachelor Degree transcripts & Certificate
- Valid Passport
- Recommendation Letters
- Proof of English proficiency (if any)
- Copies of certificates of academic honors or awards received (if available)

For Doctorate (Ph. D) application:

- Copies of Secondary/Higher Secondary education transcripts & Certificates
- Copy of Bachelor Degree transcripts
- Copy of Master Degree transcripts & Certificate
- Valid Passport
- Recommendation Letters/ Letter of Interest (within 250 words)
- Proof of English proficiency (if any)
- Copies of certificates of academic honors or awards received (if available)

List of Training Programs available at KIIT University, Odisha

Sl No.	Program Name	Program start and end date	Program Fees (*includes Accommodation & food)	Mode of Program	Medium of Instructions

○ Short -Term & Certificate courses in Yoga/Yogic Sciences

KIIT- School of Sports and Yogic Sciences established in the year 2017, has proved its excellence and potency in producing yoga practitioners, academicians, instructors, therapists and social reformers of high caliber since inception. The school offers courses for Post graduate & Doctoral and certificate programs in Yoga, Naturopathy & Spiritualism as well to cater to over challenging needs of human excellence in the area of Yoga Therapy, naturopathy, food nutrition, consciousness and spiritualism with the present demand of societal and academics, the course syllabi of individual programs are constantly revised so as to provide the need and challenge based education and training.

Well trained faculty members are committed with the charge of shaping the School in all possible aspects starting from education, academic through research. Faculty members and students have received awards and accolades nationally and internationally, having appreciable training and carrying the capability for quality teaching. The teaching ambience in School of Yoga has been spreading its wing for establishing the best academies in global forum.

- The School of Sports and Yogic Sciences imparts cutting-edge skills through teaching, R&D and corporate health programs, in frontier areas of Yoga training, Yoga Therapy, Naturopathy, Tribal and Herbal medicines, etc.
- The well-qualified faculty members ensure understanding of fundamental concepts with a view to lay a strong foundation to the students.
- Apart from the regular Yogic practices (Asana, Pranayama, Meditation, Mudra, Bandha, Shatkarmas, etc.), students are also trained in Karma Yoga, Jnana Yoga, Bhakti Yoga, Mantra Yoga, Hatha Yoga, Nada Yoga, Iyengar Yoga, Aerobics, Sanskrit, etc. to be employable in institutes/Universities/training centers.
- The pedagogy is designed such that students are able to connect Yogic theory with day-to-day application and motivated to applying the same in nurturing their careers.
- The School has strategically partnered with the present need of society/institutions/industry to update its syllabus, introduce need based electives and facilitate students' internship at various advanced centers for skill development.
- The School has also partnered with eminent Yoga experts to promulgate the same to faculties and students.
- It has established Centre of Excellence (CoE) in collaboration with industry bodies to establish the Science of Yoga for various health issues and training programs.

- The value addition training and career augmentation services prepare students to meet expectation of market demands.
